

# LeadCapture App for Exhibitors

A Cvent app that helps exhibitors easily capture and qualify leads. Use the LeadCapture app from your phone to track notes and names. To receive a temporary license for the AMAP conference at an additional fee of \$225, contact Jim Sattler, [jimsattler@modifiedasphalt.org](mailto:jimsattler@modifiedasphalt.org).

Easily capture and qualify leads for your sales and marketing teams.

Capture potential customer information by scanning a business card or an individual's badge QR code.

Rate leads and add notes about potential customers. Use the online exhibitor portal to export data that can then be uploaded
